Circumstances. (Please explain in detail)

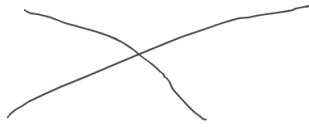

Joe left the facility at 10pm after curfew. When he returned he had been drinking and did not sign in or out. He had a bottle of alcohol in his back pocket and proceeded to take a drink in front of the house manager. He refused to complete his chore and attempted to throw the kitchen trash can at the house manager. The house manager moved out of the way and the trash can went through the kitchen window breaking the glass. Resident has refused to sign this form.
