### Free Time

As long as you are working and are current on rent you are allowed to use free time. The phase you are in matches how many hours free time you have per week. Phase 1 = 1 hour free time, etc.

### Extra Free Time

Extra free time is in addition to your regular free time you get weekly. Amount of extra free time you have available is posted in Julie's office. You may use up to 2 hours of your extra free time in a week. Time used must be noted in your movement sheet with where, times etc., just like any other activity. It must also be noted here to help with tracking. I have available and am using \_\_\_\_\_ hours of extra free time on \_\_\_\_\_.

### Acknowledgement of the Movement Sheet Rules

1. If it isn't written on my movement sheet I can't do it.
2. The only exceptions are a medical emergency or work related. In these situations I must leave a message for both my Specialty Courts Officer and my Parole & Probation Officer.
3. I can't make any changes to my Free Time.
4. If I need to change anything else on my movement sheet I must fill out a Request to Change my Movement Sheet form and turn it into my Specialty Courts Officer, in person.
5. I understand I can't turn in more than one week of movement sheets at a time. Unless authorized by my Specialty Courts Officer to do so.
6. If I violate the movement sheet rules I will be sanctioned, with the possibility of removal from Prison Re-entry Court.
